

INTERNATIONAL COMMITTEE FOR
NON-DESTRUCTIVE TESTING

The World Organisation for NDT

OP19 Appendix 1: ICNDT Multilateral Agreement on Recognition of NDT Personnel Certification

Master Schedule 1: Signatories to the ICNDT MRA

Commitments of Signatories

The organisations listed below have signed the ICNDT Multilateral Agreement on Recognition of NDT Personnel Certification and have thereby agreed to:

- commit to the pursuance of the objectives of the MRA;
- promote the recognition and acceptance of the certification issued by PCBs registered under the MRA (see Schedule 2);
- assist other interested parties by giving a clear overview of the NDT personnel certification activities in its own country;
- provide other parties with non-confidential information on the certification scheme(s) operated by PCB registered under this Agreement, and
- consult with and seek membership of the scheme and technical committees of NDT PCBs in its own country.
- indemnify ICNDT against liability for the party's use or misuse of this MRA.

Liability

1. ICNDT accepts no liability for the use of certification awarded by Registered Personnel Certification Bodies. In accordance with the international standard EN ISO 9712, the responsibility for the quality of NDT rests with the employer of the certificated person.
2. The ICNDT MRA and Personnel Certification Body assessment systems are subject to the jurisdiction of Austrian law.

MRA Schedule 1

(The latest version of this schedule is published at www.icndt.org)

The following organisations have signed the ICNDT Multilateral Agreement on Recognition of NDT Personnel Certification and have thereby agreed to promote the recognition and acceptance of certificates issued by the particular Certification Bodies registered by ICNDT in accordance with the Agreement (see Schedule 2).
